

Esprecious 11

Price € 5.795,00 **Article number** 8.035.270.31002

Description

Esprecious 11 has two canisters, one for coffee beans and one for instant ingredients. The large canister (over 3 litres) for instant ingredients can be filled with topping for coffee specialities such as cappuccino, latte macchiato and latte.

Features Esprecious 11

- Ease of use: intuitive touchscreen
- Bean-to-cup: preparation using fresh coffee beans
- Double dispensing outlet for serving two cups simultaneously
- Professional grinder and brewer: for the perfect ground and coffee extraction
- Adjustable settings, such as: temperature, coffee/water ratio, etc.
- Service-friendly and easy to maintain
- High in-cup quality thanks to automatic rinsing programme
- Unique hot water system to reduce scaling, reduces the maintenance requirement
- Separate hot water tap for e.g. tea
