

Esprecious 22

Price € 6.495,00 **Article number** 8.035.300.31002

Description

The Esprecious 22 has two canisters for instant ingredients and a divided bean canister for two sorts of beans. You can add for instance decaf, espresso or regular beans. The two canisters for instant ingredients can be filled with topping and cacao for coffee specialities such as cappuccino, latte, moccachino and hot chocolate.

Features Esprecious 22

- Ease of use: intuitive touchscreen
- Bean-to-cup: preparation using fresh coffee beans
- Double dispensing outlet for serving two cups simultaneously
- Professional grinder and brewer: for the perfect ground and coffee extraction
- Adjustable settings, such as: temperature, coffee/water ratio, etc.
- Service-friendly and easy to maintain
- High in-cup quality thanks to automatic rinsing programme
- Unique hot water system to reduce scaling, reduces the maintenance requirement
- Separate hot water tap for e.g. tea
